

PRISCA ODINAKACHI LINUS
Frontend Developer

Lagos State • 08147763119 • priscalinus706@gmail.com • [Odinakachi Linus | LinkedIn](#)
<https://github.com/Odinakachi98>

I'm a motivated and passionate frontend developer with strong proficiency in modern web technologies like JavaScript, React, and responsive designs.

I'm willing to contribute to a professional development team and to learn more through experience in a collaborative internship environment.

TECHNICAL SKILLS

- Languages: JavaScript (ES6+), HTML5, CSS3
- Frameworks: React
- Styling: CSS Modules
- Tools: Git, Vite, npm/yarn React Testing Library
- Platforms: Netlify.

PROJECTS

Responsive Portfolio with HTML, CSS, JavaScript, React JS

- [[Odinakachi98 \(Prisca\)](#)] • <https://priscaportfolio.netlify.app/>

KEY PROJECTS

- **Attention to details:** I'm good at writing and maintainable code.
- **Fast Learner:** I have the ability to learn and adapt to new technologies and development.
- **Self-Motivated:** I also have the ability to learn complex topics independently.

EDUCATION

- Imo State University, Owerri.
- Aptech Learning Center.
